Janet H Barker

Evidence-Based Practice for Nurses Janet H Barker

Understanding what is evidence, how to appraise it and apply it to practice, are essential skills for all nurses. Taking a step-by-step approach, this practical book shows how to identify and evaluate the different types of evidence available and to critically appraise the studies that lie behind them. It also looks at the ways in which findings are integrated into practice, showing how research evidence can be applied to clinical-decision making, and the delivery of patient care.
