'Ever mine. The very last words he spoke to her before she watched him walk away.'

New York, 2000. When Lucinda recognises a face from her past on a magazine cover, her world is turned upside down. Should she approach him and demand an apology or just contact her lawyer?

Rock star Xander is determined to enjoy his extravagant birthday party. All goes well until an unexpected guest appears...

Secrets from the past are gradually revealed in conversations between guests. Interwoven is the story of Alex and Luci's relationship, from their first meeting on the day that Elvis died, to their teenage romance and the truth of the events that led to their parting. When all is finally revealed, what will the future hold for them?

How We Remember is Louise Scoular's first novel and the first in the Ever Mine Trilogy.
