“Five Stars.” —Carly’s Books Reviews

Eric left the BDSM scene years ago because he couldn’t find the right partner, opting instead to meet men in quiet coffee shops and piano bars. But when his friend invites him to a posh hook-up party, he meets first time sub Jamie, whom he convinces to detail his sexual fantasies during a passionate night together.

The pair soon embark on a relationship that introduces Jamie to the BDSM scene, and plays out his fantasies one by one. But as they approach the final fantasy, will Eric be able to walk away?
