8 Steps To Building A Shipping Container Home - Shipping Container House Plans, Designs, Ideas And Organization Tips & Tricks!

If you are looking to save money on building your dream home, this book is for you. There is no material on earth that will hold up under hurricanes, tornadoes, or earthquakes, the way these shipping containers will. There really is nothing safer to build with for keeping your family safe, yet being cost effective. In vogue throughout the world, architects are lining up to see who can make the best design of these Lego style containers. They stack like your children's Lego blocks, yet offer so much more. If you want to have your shipping container home look like the other homes in the neighborhood, it can be done. On the other hand, if you want a progressive, state-of-the-art home that stands out in the neighborhood, that too can be accomplished. Additionally, you can have a mix anywhere in between. Using these shipping containers is cost effective, as well as eco-friendly. These containers can be found all over the world in stacks in various shipping and railroad yards. Using them for building materials helps the foot print of our planet.
