Enrich language and literacy skills with special-education students and/or English Language Learners in pre-kindergarten–kindergarten using Sign Language Fun in the Early Childhood Classroom! This 64-page book helps students improve verbal communication, visual discrimination, spatial memory, and early reading skills. The multi-sensory approach helps all students (with and without special needs) improve language and literacy skills. This book does not require previous experience with American Sign Language, and it includes teaching suggestions, games, activities, songs, rhymes, literature recommendations, and reproducible sign language cards. The book supports NCTE and NAEYC standards. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product line—comprised of teacher/parent resource books, photographic learning cards, and other activity- and game-oriented materials—is designed to assist in “Unlocking the Potential in Every Child.”
