Brad Herzog

Turn Left At The Trojan Horse: A Would-Be Hero's American Odyssey Brad Herzog

Turn Left at the Trojan Horse has been described as *On the Road* meets *Eat, Pray, Love* because it goes well beyond a road trip. More than just a funny and profound narrative of Brad Herzog's cross-country trek toward a college reunion in Ithaca (New York) and more than another reimagining of Odysseus's ancient journey (he visits places like Troy, OR... Iliad, MT... Apollo, PA...), it is a memoir exploring the parameters of a heroic existence - by chronicling the lives of people in America's oft-ignored spaces, by examining the universal truths embedded in ancient myths, and by undertaking a fair bit of self-evaluation. It is the memoir of an Everyman searching for the hero within.
