From The Fantasy Art of Molly Harrison, this coloring book is for people of all ages. A bit different from Molly's other illustrations which are more of statuesque, flowing characters, this coloring book features sweet little whimsical, cherub-like characters - fairies, mermaids, witches, kitties, owls and more, it is sure to delight anyone who is a child at heart. The illustrations are printed on one side of the page only. It is recommended that a piece of paper be placed between the pages if you plan on using markers so that it will not bleed through to the other page.
