**Death by Ploot Ploot! (Matrix of Destiny Book 5)** Dara Joy

\*This was written to be a lengthy novella. (Much longer than a story- but not as long as a novel.)

Matrix of Destiny universe (KNIGHT OF A TRILLION STARS, REJAR, MINE TO TAKE).

What happens when Deana decides to introduce the concept of Valentine's Day to Aviara?

Yep, that is pretty insane. What are you thinking, Deanna?!

How will the fearsome Charl knights react to the concept of a day of romance?

Sexy time for wizards. With sparks.

Welcome, traveler!

Time to rejoin old friends and come back to where it all started: Aviara. It's home- and the door is open for a sweet and spicy visit.

Have a party visiting with Lorgin and Deana, their family, friends, and Familiars. Find out what is going on in the MOD universe in this hilarious, heart-warming story (with plenty of steam, of course) that advances the Matrix of Destiny storyline.

WONDERFUL REVIEWS FOR DEATH BY PLOOT PLOOT:

Meanwhile back on Aviara

It seems Lorgin is experiencing fluctuations in his Charl powers that Yaniff believes may be an indication that he will experience an increase in his abilities. The tenth level mystic-in-training, Rejar continues to exasperate his Charl Master, Yaniff; who in turn continues to subtly manipulate the brooding Traed into the Charl way of life.

As the Earth holiday of Valentine's Day approaches, Deana is bored with her contented life and looking for a way to stir things up; just for fun. And what better way than to bring her own version of this romantic holiday to the Charl Knights and Familiars of Aviara? Well, Deana may have bitten off more than she bargained for when Lorgin decides to beat her at her own game.

I'm happy to see that our favorite Charl's and Familiars haven't lost any of their sexy charm or endearing arrogance. This novella was like catching up with old friends, I had a smile on my face the entire time I was reading. Deana is still her mischievous self and all of the characters that fans have come to know and love make an appearance. This satisfying short will sooth the nerves of even the most addicted Matrix of Destiny reader, and provide just enough fun to hold us over until Ms. Joy gives her loyal readers what they have been dying for, a new release. Welcome back Dara, we have missed your unique voice, and of course your sexy alphas!
