Don't Try To Find Me: A Novel Holly Brown

When a fourteen-year-old runs away, her parents turn to social media to find her—launching a public campaign that will expose their darkest secrets and change their family forever, in this suspenseful and gripping debut for fans of *Reconstructing Amelia* and *Gone Girl*.

Don't try to find me. Though the message on the kitchen white board is written in Marley's hand, her mother Rachel knows there has to be some other explanation. Marley would never run away.

As the days pass and it sinks in that the impossible has occurred, Rachel and her husband Paul are informed that the police have "limited resources." If they want their fourteen-year-old daughter back, they will have to find her themselves. Desperation becomes determination when Paul turns to Facebook and Twitter, and launches FindMarley.com.

But Marley isn't the only one with secrets.

With public exposure comes scrutiny, and when Rachel blows a television interview, the dirty speculation begins. Now, the blogosphere is convinced Rachel is hiding something. It's not what they think; Rachel would never hurt Marley. Not intentionally, anyway. But when it's discovered that she's lied, even to the police, the devoted mother becomes a suspect in Marley's disappearance.

Is Marley out there somewhere, watching it all happen, or is the truth something far worse?

From reader reviews:

Thomas Murray:

In this 21st one hundred year, people become competitive in every single way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of the particular crowded place and notice through surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Yep, by reading a guide your ability to survive improves then having chance to stay than other is high. For you who want to start reading any book, we give you that Don't Try To Find Me: A Novel book as beginner and daily reading publication. Why, because this book is more than just a book.

Henrietta Roderick:

Information is provisions for individuals to get better life, information these days can get by anyone on everywhere. The information can be a understanding or any news even a huge concern. What people must be consider any time those information which is inside the former life are difficult to be find than now's taking seriously which one works to believe or which one the actual resource are convinced. If you find the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Don't Try To Find Me: A Novel as the daily resource information.

Jerry Raminex:

Reading can called head hangout, why? Because while you are reading a book especially book entitled Don't Try To Find Me: A Novel the mind will drift away through every dimension, wandering in each and every aspect that maybe mysterious for but surely will end up your mind friends. Imaging every word written in a reserve then become one contact form conclusion and explanation which maybe you never get before. The Don't Try To Find Me: A Novel giving you another experience more than blown away your thoughts but also giving you useful data for your better life in this era. So now let us demonstrate the relaxing pattern is your body and mind will be pleased when you are finished looking at it, like winning a casino game. Do you want to try this extraordinary wasting spare time activity?

Lila Johnson:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore, this Don't Try To Find Me: A Novel can make you feel more interested to read.
