Mated (Wildemount Alphas) - BBW Werewolf Paranormal Romance Cora Wolf

100% Pure Sexiness, No Filler

Stand-alone paranormal werewolf romance. No cliffhanger, just a happy (and sexy) ending!

Shifters are dangerous, and they don't give a damn about human laws. Every girl with any sense knows to stay far away from an alpha on the prowl for a new mate. But Maisie's very human ex is the one trying to kidnap her, and the alpha werewolf is the one rescuing her, and insisting that he stay and protect her. She isn't sure if she should run away or jump in to his big, tattooed arms.

Everett has a plan. Find a few sweet and sexy human girls to be his mates, claim a prime piece of territory, and start a pack. Nowhere in the plan is he supposed to rescue a curvy and alluring girl getting shoved in to the trunk of a car. And he definitely isn't supposed to get so attached to her.

But the moment Everett sees Maisie he knows she's his first mate. But Maisie isn't interested in being anyone's first mate, or first wife, or first anything. She needs to tame the wild werewolf, and show him that just one mate can be so much better than three.

Reader's Note: This story contains some seriously sexy scenes. If you're not interested in reading about curvy ladies who like their bodies getting it on with tough, growly alphas, then this story probably isn't for you!
