**Angosta (Spanish Edition)** Héctor Abad Faciolince

Esta novela, que la crítica ha sido unánime en considerar como una obra maestra, ha vendido más de 18.000 ejemplares en español, ha sido traducida, entre otros, al mandarín, y premiada en China como la mejor novela extranjera del año. Por esa razón, celebraremos los 10 años de su publicación con esta edición conmemorativa que incluye un epílogo de Santiago Gamboa, las frases elogiosas de la crítica en esta década, y la presentación de recibimiento del premio chino.

Angosta es una metrópoli de tres pisos, tres castas y tres climas. La ciudad está separada por las montañas, dividida por un muro y un Check Point. En Angosta se practica una política de Apartamiento que recluye a cada casta en su propio sector: los dones en Tierra Fría, los segundones en Tierra Templada y los tercerones en la tórrida Boca del Infierno. Está sitiada por dos pestes modernas: la exclusión y la violencia. Los Siete Sabios definen quiénes pueden vivir y quiénes deben desaparecer. El río Turbio pasa caudaloso de muertos y el Salto de los Desesperados sepulta los cadáveres para que nadie se entere de los crímenes.

Angosta es una metáfora de alguna ciudad colombiana, pero también del mundo.
