***Civilization in the West* blends social and political history with a myriad of maps and images that bring history to life.**

The authors tell a compelling story of Western Civilization that is enhanced by images and maps. “The Visual Record” chapter openers draw readers in by using illustrations that underscore a dominant theme of the chapter. New “Image Discovery” features guide readers to interrogate images, understand their contexts, and unpack their multiple meanings. The dramatic, changing contours of the West are explored through *Map Discovery* features and *Geographical Tours of Europe*.
