Distracted

D. M. Thornton

Distracted D. M. Thornton

Running from her past, Katie Biel finds refuge in the back country of Portland, Oregon. Taking care of her special needs son, Cash, is all that Katie wants to focus on. But when her best friend, Trish, signs up for a membership at The Blue Valley Resort, Katie becomes easily distracted by the brothel's owner. Benjamin Wesley is so enthralled by Katie that he'll stop at nothing to grab her attention. She's a hard one to break down. But when he convinces her to accept the personal assistant job he created just for her, he knew it was only a matter of time before she'd relinquish herself to him. He didn't realize she had a past that haunted her. With an abusive ex-boyfriend hunting her down, can Katie keep her focus on her and her son's safety? Or will Benjamin distract her, putting her and Cash in danger?

From reader reviews:

Steven Page:

Why don't make it to become your habit? Right now, try to ready your time to do the important action, like looking for your favorite e-book and reading a book. Beside you can solve your short lived problem; you can add your knowledge by the book entitled Distracted. Try to stumble through book Distracted as your good friend. It means that it can being your friend when you sense alone and beside that of course make you smarter than before. Yeah, it is very fortunated for you personally. The book makes you far more confidence because you can know every thing by the book. So , let's make new experiance and also knowledge with this book.

Hye Elliott:

What do you consider book? It is just for students because they're still students or the idea for all people in the world, the actual best subject for that? Merely you can be answered for that concern above. Every person has several personality and hobby for every other. Don't to be pressured someone or something that they don't wish do that. You must know how great as well as important the book Distracted. All type of book can you see on many sources. You can look for the internet methods or other social media.

Karin Eubanks:

Many people spending their time frame by playing outside using friends, fun activity along with family or just watching TV the entire day. You can have new activity to shell out your whole day by studying a book. Ugh, ya think reading a book can definitely hard because you have to bring the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Mobile phone. Like Distracted which is keeping the e-book version. So , try out this book? Let's notice.

Henry Jones:

What is your hobby? Have you heard which question when you got learners? We believe that that concern was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. So you know that little person including reading or as reading through become their hobby. You need to understand that reading is very important and book as to be the thing. Book is important thing to increase you knowledge, except your current teacher or lecturer. You find good news or update with regards to something by book. Numerous books that can you go onto be your object. One of them is this Distracted.
