*The Notebook* meets *The Wonder Years*.

1975: Shawn meets Dawn, his one true love, when she moves into the vacant house next door. Many people spend their life searching in vain for happiness, but he was lucky; finding it at the tender age of fifteen.

1979: Shawn and Dawn are forbidden to see each other. Feeling he is harming her by being in her life, Shawn walks away from the love of his life, apparently forever.

2006: After decades of sadness and mourning the girl that got away, Shawn has a chance meeting with Dawn that might change his life forever... again. Can the sweet bond of first love not only survive, but flourish?

*Feels Like the First Time* helps you remember what it was like to come of age and fall in love in small town America in the 1970's. No matter how much the world changes, some things, like timeless music, high school dances, making out in the backseat of a Chevy Vega, and of course true love, will always remain the same.
