Our hearts sink when we hear the story: a small child is abducted from their home and vanished without a trace. We cling to our own kids a little tighter knowing that it can happen to anyone. We hope for a miracle, but know the reality is once they've been gone for more than a few days, they will never be found alive. But sometimes, often in the most miraculous ways, they are found--months, even years, later. The 15 stories here recount the stories of some of the worlds most famous kidnapping cases, and shows how the victims survived the cruelty and were ultimately rescued.
