## **Game Theory: A Simple Introduction** K. H. Erickson

Game Theory: A Simple Introduction offers an accessible and enjoyable guide to the basic principles and extensive applications of game theory. Understand a game matrix, prisoners' dilemma, dominant and mixed strategies, zero-sum games, Pareto efficiency, the Nash equilibrium, and see the power of asymmetric information. Calculate payoffs and find outcomes in games involving characters such as Jack and Jill, or Frodo and Gollum. Look at the effects of altruism and hatred on games, and see how games can change over time. Explore examples looking at gang members, free riders, global governance, a long-term relationship, competing corporations, advertisers and their customers, along with familiar hawk-dove and chicken games. See game players use every trick in the book to get what they want, with over 50 images to guide through the steps they use to play the game.

### From reader reviews:

#### **Gary McKinney:**

Book is to be different for each grade. Book for children till adult are different content. As we know that book is very important for us. The book Game Theory: A Simple Introduction was making you to know about other know-how and of course you can take more information. It is quite advantages for you. The publication Game Theory: A Simple Introduction is not only giving you considerably more new information but also for being your friend when you truly feel bored. You can spend your personal spend time to read your book. Try to make relationship with the book Game Theory: A Simple Introduction. You never really feel lose out for everything in case you read some books.

#### **William Reynolds:**

Why? Because this Game Theory: A Simple Introduction is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will distress you with the secret the idea inside. Reading this book adjacent to it was fantastic author who write the book in such incredible way makes the content interior easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of gains than the other book have got such as help improving your skill and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the guide store hurriedly.

#### **Earline Shepler:**

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Game Theory: A Simple Introduction can make you truly feel more interested to read.

#### **Rose Ibarra:**

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information from a book. Book is created or printed or outlined from each source that filled update of news. In this particular modern era like right now, many ways to get information are available for an individual. From media social similar to newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your understanding by that book. Ready to spend your spare time to spread out your book? Or just seeking the Game Theory: A Simple Introduction when you necessary it?
