(NOTE: Book 2, Once Again, With Blood, is now available)

Kyle Brightman--late of the advertising industry and soon-to-be-late of the 5th floor psych ward--has a job offer he can't refuse. A new resort in the Caribbean is looking for an art director. Kyle soon finds himself on the Isle of St. Agrippina working alongside a beautiful copywriter with an icy handshake. Questions arise: Why does the resort management team sport spray-on tans in the Bahamas? How can the resort offer such cheap vacation packages? What does one do with vats of Astroglide? To get the answers, Kyle must first navigate a series of wildly unpredictable events with a cast of even more wildly unpredictable characters, including a seductress jungle assassin, her partially paralyzed talking Chihuahua, an Ivy League Rastafarian seaplane captain, Kyle's ex-psych ward roommate, a former Haliburton mercenary, and a French tavern owner with a fondness for goats, all set to the greatest hits of the 70's. Pablo Cruise never felt so right.
