Executed Women of 20th and 21st Centuries L. Kay Gillespie

Executed Women of the 20th and 21st Centuries provides a look into the lives, crimes, and executions of women during the 20th and 21st centuries. Rather than dealing with these women as numbers and statistics, this book presents them as human beings. Each of these women had lives, histories, and families. The purpose is not to condone their actions, but to suggest that those we executed are, in fact, humans?rather than monsters, as they are often portrayed.
