First-Time Parents Box Set

On Pregnancy: A Fun Guide for First-Time Moms from Birthing to Caring for Your First Bundle of Joy!

Are you a new parent with a few worries and questions that could fit on a laundry list as long as I40? Or perhaps you just want to get to know a little more about these first steps you are taking or are about to take on your journey in to parenthood? If so "On Pregnancy: A Fun Guide for First-Time Moms from Birthing to Caring for Your First Bundle of Joy!" has something to offer you.

Forget those books that make the first months of parenthood seem like unicorns and rainbows, this book takes a realistic but fun view on the things that are to come. Covering the topics that you really want to know about like what happens when you aren't bonding with your baby? Or what happens when you are just tired of being tired? This book isn't afraid to answer the questions that the other books tend to leave unanswered.

It's not all secret questions asked in hushed voices though, "On Pregnancy: A Fun Guide for First-Time Moms from Birthing to Caring for Your First Bundle of Joy!" also covers the joys of caring for a baby when you have vaginal pain after a traditional birth - did you really think you'd need a hushed voice for that one after giving birth?

If you're looking for a fun but informative book that offers you more than the average slew of topics, "On Pregnancy: A Fun Guide for First-Time Moms from Birthing to Caring for Your First Bundle of Joy!" is the right pick for you.

Here is a preview of what you will learn from this book:

- What happens to your baby after they are born.
- What to do when you aren't feeling a bond with your baby.
- Tackling life with a baby that doesn't sleep.
- When to call the doctor and when to treat at home.

- And Much More

Once you begin reading this book you may just find that you're not the only parent in the world with scary questions about being a parent for the first time.

A Fun Guide for First Time Dads: The Unspoken Steps in Caring for Wife and Baby

They say that when a child is born they don't come with an instruction manual. Well this may be true but now there is a simple guide that you can use in order to build the foundation and learn the directions in which to travel.

In this book we will talk about what it means to be a father, what to expect and what to do in order to get your wife through the first child. From there you will go through the course of the child's life learning tips, tricks and nuggets of wisdom that will help shape your child into the person you want them to be.

Then finally I will give you my key advice that every father should know before having their first child. The hidden secret awaits in this "should have been delivered with the baby" parenting guide.
