From reader reviews:

Phillip Chadwick:

Nowadays reading books are more than want or need but also work as a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want drive more knowledge just go with schooling books but if you want really feel happy read one having theme for entertaining like comic or novel. *The Illness As Metaphor* by Susan Sontag (1979-05-01) is kind of publication which is giving the reader unpredictable experience.

Claudia Fox:

Reading a reserve tends to be new life style within this era globalization. With reading you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors these days always try to improve their proficiency in writing, they also doing some research before they write to their book. One of them is this *Illness As Metaphor* by Susan Sontag (1979-05-01).

Larry Moore:
