***Keys to Success Brief* unlocks every student's potential to succeed in college, career, and life by challenging them to realize, "It's not just what you know...it's what you know *how* to do."**

Students will develop their goal-setting abilities by personalizing “best practice” tools and strategies for all topics covered. *Keys’* focuses on building analytical, creative, and practical thinking skills. This “thinking skills” framework challenges students of all levels to question, evaluate, innovate, relate, and follow through - which is critical in class AND highly valued in a competitive 21st century workplace where one must maximize strengths and bolster weaknesses. When students build the skills that will help them get where they want to go in college and beyond, they will be more motivated to retain and APPLY what they learn. Revision highlights include Social Media integration, 21st Century Skills coverage, stronger memory and learning coverage, updated financial literacy material, and much more.
