Mercies in Disguise Steven A. Hull

Steven A. Hull has crafted the final episode in his trilogy, The Saga of Hunter Benson: **MERCIES IN DISGUISE**. While pondering his past misdeeds and recollecting the many events occurring in *The Measuring Stick* and *Epiphany*, Hunter Benson's adult niece Brook Kelly is abducted by nefarious human traffickers in Lisbon, Portugal. Reluctantly, Benson calls in a few favors and enlists the help of some good 'ol boys, all close friends that he had known and worked with for more than a decade. Benson is unaware that his first-born Jacob Issac has jumped into the fray. It is a white knuckle race to locate Brook Kelly. Mayhem and carnage remain in the wake of their valiant efforts to save her. The misadventures take them from California to Portugal, Spain to Morocco, Guinea-Bissau to Trinidad, Key West to Santo Domingo, Antigua to Haiti and finally St. Lucia to Cephalonia, Greece. Poignant and even humorous at times, gritty, graphic, gripping and riveting... the final episode is a real page turner and well worth the read. The climax is full of twists, turns and surprises...it is positively, unquestionably miraculous!
