Natural Antibiotics: 30 of the Most Powerful Natural Antibiotics That Kill Pathogens and Heals Bacterial Infections (Natural Antibiotics, Natural Antibiotics books, Antibiotics) Janice Blair

Alternative or complementary medicine is something to be seriously considered in a world that is becoming increasingly resistant to antibiotics and increasingly dependent on pharmaceutical solutions. Whilst visiting your doctor is always appropriate for more serious conditions, many minor complaints and injuries can be effectively treated at home using natural antibiotics from botanical sources.

Using natural remedies where possible can help boost your body's natural defense system and offer a gentle alleviation of symptoms based on traditional and organic practices.

This eBook gives an overview of the history, types and uses of alternative and complementary medicines and then examines thirty of the most powerful natural antibiotics, citing the results of recent clinical studies as well as traditional beliefs surrounding non-pharmaceutical medicines for their effectiveness and function. The eBook then takes a look at some of the most common complaints and illnesses and which of these thirty natural antibiotics can be used to help relieve the symptoms.

After reading this eBook, you will feel well-informed about the use of alternative and complementary medicines and about the effects and benefits of our thirty most powerful natural antibiotics. This means that you can make informed choices about the natural remedies available to you.

Topics covered in this eBook include:

- Alternative Medicine
- Homeopathy
- Aromatherapy
- Herbalism
- Plants and Herbs
