Move over, coloring books! Here's an entirely new craft that kids will love: *Paint by Sticker Kids*.

*Paint by Sticker Kids* is the same compelling craft first introduced in *Paint by Sticker*, but just for kids! The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on perforated card stock, and 10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in “low-poly,” a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next and voila!

It's a rocket ship blasting through space. A Tyrannosaurus rex prowling his domain. A pickup truck hauling its load. A friendly toucan hanging on his perch.

Kids will love watching these pictures come to life. Plus each is suitable for framing or the fridge.
