It is never a good thing when a **little brat** like me has no money. You never know what a **desperate** person like me will do to make ends meet and get **what I want**.

With no other option I decide to do what I think is best and take a few things from **the man of the house**. Little do I know he is watching me and my every step waiting for that special moment to **take me hard and without protection**. I learn a valuable **lesson** as he shows me what it's like to be **in charge** and with nothing else to do but **take** what what he deals out.
