Cal discovers a hidden basement room where it's clear that salacious activities have taken place—as well as evidence of missing DVDs. But his investigation soon becomes more complicated when he realizes it may not be discs the thief was actually interested in....

Meanwhile, Detective Barry Duckworth is still trying to solve two murders—one of which is three years old—he believes are connected, since each featured a similar distinctive wound.

As the lies begin to unravel, Cal is headed straight into the heart of a dark secret as his search uncovers more startling truths about Promise Falls. And when yet another murder happens, Cal and Barry are both driven to pursue their investigations, no matter where they lead. Evil deeds long thought buried are about to haunt the residents of this town—as the sins of the past and present collide with terrifying results.
