Heartbeats for Cancer Charlotte Cole

For years, Charlotte Ramsey Cole lived a healthy lifestyle, avoiding processed foods and using alternative health methods to ensure her body truly was a temple. But God had other plans. When stomach issues turned into a cancer diagnosis in July 2011, Charlotte realized none of us has control over our destinies, but rather, we are always in God's hands. Rather than resist, she decided to embrace the journey God had planned for her, trusting that He knew best. Then, realizing others could benefit from her experiences, she began sharing her journey through a daily blog. Now she has compiled those blog entries into this dynamic, faith-inspired book. In Heartbeats for Cancer, readers with cancer will find hope, those searching for meaning will come to understand the power of faith, and everyone facing adversity will discover how humor, family, friends, love, and trust make the journey all worthwhile.
