**Like a Cliff in the Sea (Wie ein Fels im Meer)** Karl Ullrich, Jochen Peiper

This is the one-volume photo history of the division that was written by Karl Ullrich, a Knight's Cross recipient and commander in the division. Although there are several English-language phot chronicles of this SS division (most of dubious quality), this is the first one available that was written from the perspective of the division itself using the photos of individual SS veterans. The book covers the formation of the division in 1939 and its subsequent operations during the Second World War. With the exception of the French Campaign in 1940, the division fought entirely on the Eastern Front and earned a reputation as one of the most capable divisions of the entire Eastern Army, especially in defense.
