"And Death will live among them in the guise of a child..."

Grappling with her new identity as "Bridge," a being meant to herald the end for all of humanity, isn't even Allie's biggest problem. A new set of rules around Seer culture and her relationship with the infamous Seer infiltrator, Revik, keep getting her in trouble, and the power-hungry Rook she helped put in the White House wants war with China.

Then the boy appears. A sociopath with all of the energetic markings of Syrimne, a deadly telekinetic who killed thousands during World War I, he doesn't appear to have aged in one hundred years.

Worse, he thinks Allie belongs to him.

Series Summary

The Allie's War series is a psychic romance set in a unique, gritty version of Earth populated by a second race of psychic beings called Seers. Its heroine, Allie Taylor, was marked "The Bridge" from birth, born to be the leader of the Seer race and the bringer of the next stage in humanity's evolution. Unfortunately, to many Seers, that means the death of just about every human on the planet.

She is helped and hindered, awakened and impeded by her antihero partner, Dehgoies Revik, whose on-again-off-again relationship with the dark beings known as the Dreng may destroy them both.

The series takes place in a modern version of our world at the brink of apocalypse and a dystopian future. It spans centuries along with the lives of its main characters, the Seers, and the wars they fight with themselves and their human allies and enemies.
