*WILD MAGIC* When Daine comes down from the mountains, she carries with her two things: a dark secret about her own past, and a strangely powerful magic that even she doesn't understand.

Soon Daine has a job working for Onua, the queen's horsemistress, who is astonished at the girl's way with animals. It's almost as if she can speak to them....

Daine and Onua travel to Pirate's Swoop, where Daine finds herself swept into a war that threatens all of Tortall—a war where magic is one of the main weapons.

The wall between the worlds is cracking. The magical creatures are returning.

Now Daine must master her own magic—and face her own dark memories—if she is to save her new home from destruction.

*WOLF-SPEAKER* Responding to a call for help from the wolves of Long Lake Pack, Daine and the wizard Numair travel to Dunlath Valley, where they discover a catastrophe in the making. But when they try to intervene on the wolves' behalf, they encounter only derision from the Dunlath court.

Working on their own to discover the reasons for destruction in the valley, Daine and Numair unearth a web of magic as treachery threatens the entire kingdom. Numair must hurry away to warn the king—leaving only Daine, the wolves, and her expanding group of animal allies to hold off disaster until his return. But will Daine's ever stronger Wild Magic be enough to protect her from the dangers of Dunlath Valley?

Brimming with magic and adventure, centered on a daring young woman who will stop at nothing to protect her animal friends, *Wolf-speaker* showcases Tamora Pierce at the top of her form.

*EMPEROR MAGE* Daine is a simple mountain girl, and despite her powerful wild magic, she is not comfortable with the pomp and glitter of a great court. But when Emperor Ozorne asks that she accompany Tortall's diplomatic mission to Carthak so she can tend his ailing birds, it's a request that cannot be refused.

Though Daine has the wizard Numair and the lady knight Alanna to help her, she soon finds herself trapped in a web of magic and intrigue stranger and more bewildering than any she has yet faced. For the emperor has overstepped his bounds, the gods are angry, and the Graveyard Hag herself has chosen Daine as her tool to change the situation.

Saddled with a strange new power, Daine is already jittery and angry. Then a final, dreadful event pushes her over the edge, and she erupts in a ferocious display of rage and magic.

*THE REALMS OF THE GODS* In the midst of a war, Daine and her mentor, Numair, are yanked into the Divine Realms, where the riddles of Daine's past are finally solved. Despite joyous reunions, the pair is

desperate to return to their beloved Tortall, for the kingdom's survival depends on their great magics.

A perilous journey across the Divine Realms leads Daine and Numair through danger to dragons; to a breathtaking confrontation with their great enemy, Ozorne; and to heartbreaking battle. At last Daine faces the Great Gods, who will force her to make the most important decision of her life.

Filled with breathtaking peril, lightened by deft moments of comedy (wait till you meet the darkings!), *The Realms of the Gods* is a fitting conclusion to one of the great fantasy series of our time. An exclusive interview with Tamora Pierce about writing *The Immortals Quartet* concludes the recording.
