**To Kill a Lion** Bruce Lengeman

Men cry out,

"I know it's wrong, but why can't I stop?"

This is a common cry throughout our culture from Christian men who are seeking to find freedom from the nagging grip of sexual lust. In "To Kill a Lion," Bruce Lengeman takes men beyond behavior modification and answers the question: "But what's driving the drive?" Some approaches to sexual purity adequately tell men, "It's bad! Don't do it!" but don't give men real solutions. "To Kill a Lion" is about destroying sexual roots. It is about who a man is, not just what he does.

In "To Kill a Lion" you'll discover:

How to be pure without being less sexual

How to close sexual doors to Satan that you opened at some point

How a man's sexuality is connected to almost everything in his life

how to trace your sexual issues back to emotional issues

How sexual freedom in your heart will bring new sexual vitality to your marriage

How you can get to the place where you want sexual purity more than you want immorality
