At his majesty's service...or so he thinks.

With her job and her self-respect on the line, advertising executive and reformed bad-girl Zoe Keaton heads to Italy to score a vital business deal. Unfortunately, the guy she needs to convince is the wickedly hot—and totally closed-off—Prince Dominic Ricci, who has no intention of listening to her pitch. So with the queen's help, Zoe does the only thing that will get the job done. She kidnaps him.

But the joke's on her when the queen's matchmaking strands Zoe and the prince on the royal family's secluded island. Zoe vows not to mix business with pleasure—and prove that she's more than a spoiled rich girl who bought her way to success—but when the prince turns up the heat, the chemistry between them ignites. Is it just sizzling sex, or could an Italian prince with a tragic past fall for a take-no-prisoners American?
