And now, rescued from the newsprint where they moldered unseen for over half a century, we can turn to the cartoons that let us know what happens when Horton hears a heel.

--ART SPIEGELMAN, PULITZER PRIZE-WINNING AUTHOR OF *MAUS* ON *DR. SEUSS GOES TO WAR*

Hailed by *Entertainment Weekly* as "a provocative history of wartime politics," *Dr. Seuss Goes to War*, published nearly a decade ago, sold over one hundred thousand copies and introduced readers to the World War II-era political cartoons of Theodore Seuss Geisel, better known to the world as Dr. Seuss. Published to great acclaim, the collection included over two hundred cartoons from Geisel's years working for the New York daily newspaper *PM*.

Now *Dr. Seuss & Co. Go to War* presents a new trove of close to four hundred discoveries from the *PM* World War II archives, including over one hundred cartoons by Seuss, fifty cartoons by the *New Yorker's* Saul Steinberg, and works by the leading cartoonists of the time, such as Al Hirschfeld, caricaturist for the *New York Times*; Polish-born American artist Arthur Szyk; and future *New Yorker* cartoonists Carl Rose and Mischa Richter. The cartoons and commentary in this handsome volume (to be published in the same format as the original *Dr. Seuss Goes to War*) cover the five years of the war, illustrating changing attitudes and providing a complex picture of the issues that concerned Americans.
