Hardcore Self-Defense C. R. Jahn

HARDCORE SELF-DEFENSE is totally unlike any other martial-arts book you've ever read. It is the result of a lifetime of experience by one who walks the Warrior's Path. Jam-packed with useful information, no space is wasted with "filler material" like training methods, foreign terminology, or photographs of the author pretending to spar. No, this book gets right to the point and tells you the best ways to defend oneself, as well as commonly taught nonsense that will not work against a real opponent. This book is heavy on combat psychology and weaponscraft, and is intended for those who are truly serious about protecting themselves and their loved ones. Be warned, this book is NOT FOR THE MEEK!
