Contrary to popular belief, jackasses are neither stubborn, mean, nor stupid. Even if their farcical ears suggest otherwise, male donkeys are smart, hardworking, gentle, and even playful animals that require proper care. Their ability to vocalize while inhaling and exhaling results in the hee haw sounds they are famous for. Just what might they be saying? The jackasses in this wall calendar are very expressive, and the words they might utter are sure to provide chuckles in the coming year. BrownTrout is committed to sustainability.
