The allure of virgin blood is Death's sweetest song, calling to The Immortal in the form of the human virgin now in his possession - Rielle. Consummation of her purity would ensure her death and hasten the end of his own life, but sustaining her may prove to be even more difficult, especially when a chance encounter with another like herself reveals the truth of the fate she's traded herself for.

Meanwhile, another world away, Dr. Rupert Lewis has failed to keep a watchful eye on a comatose patient who has mysteriously disappeared - setting off a chain of events he could not possibly foresee - and now must surrender his fate to the mysterious man who is in possession of that which he sold long ago: his soul.

OBSERVING RIELLE is part two of the AWAKENING RIELLE, a 10-part series of short stories that compose one larger narrative.
