## **The Solar System (Available 2010 Titles Enhanced Web Assign) Michael A. Seeds**

With this newly revised sixth edition of THE SOLAR SYSTEM, author Mike Seeds' goal is to help you use astronomy to understand science--and use science to understand what we are. Fascinating and engaging, this text will help you answer two fundamental questions: What are we? How do we know? Crafting a story about astronomy, Seeds shows you how to ask questions to gradually puzzle out the beautiful secrets of the physical world and our place in it. This edition addresses the newest developments and latest discoveries in the exciting study of astronomy, including new data on Jupiter's ring system; new observations of the shapes of stars; new evidence of dark energy, quasars, and galaxy collisions; and a look inside supernova explosions. And for students looking for an interactive alternative to the print text, the FOUNDATIONS OF ASTRONOMY Online Version is the ideal solution. The Online Version gives you Web-based access to a digital version of Michael A. Seeds' best-selling astronomy textbook containing the complete text of THE SOLAR SYSTEM. If your instructor is using the Enhanced WebAssign online homework management system, the Online Version includes access to your homework assignments as well, allowing you to navigate quickly between your homework and the text.
