The Stepford Wives

Ira Levin

The Stepford Wives Ira Levin

The internationally bestselling novel by the author of *A Kiss Before Dying*, *The Boys from Brazil*, and *Rosemary's Baby*

With an Introduction by Peter Straub

For Joanna, her husband, Walter, and their children, the move to beautiful Stepford seems almost too good to be true. It is. For behind the town's idyllic facade lies a terrible secret -- a secret so shattering that no one who encounters it will ever be the same.

At once a masterpiece of psychological suspense and a savage commentary on a media-driven society that values the pursuit of youth and beauty at all costs, *The Stepford Wives* is a novel so frightening in its final implications that the title itself has earned a place in the American lexicon.

From reader reviews:

Donald Calderon:

What do you concentrate on book? It is just for students because they're still students or the item for all people in the world, the particular best subject for that? Simply you can be answered for that issue above. Every person has various personality and hobby for each and every other. Don't to be obligated someone or something that they don't need do that. You must know how great and important the book The Stepford Wives. All type of book would you see on many solutions. You can look for the internet solutions or other social media.

Richard Tipton:

As people who live in the actual modest era should be update about what going on or facts even knowledge to make these people keep up with the era and that is always change and move ahead. Some of you maybe will certainly update themselves by studying books. It is a good choice for you but the problems coming to you actually is you don't know which one you should start with. This The Stepford Wives is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Carl Kile:

Do you have something that you prefer such as book? The publication lovers usually prefer to decide on book like comic, limited story and the biggest one is novel. Now, why not hoping The Stepford Wives that give your fun preference will be satisfied by simply reading this book. Reading behavior all over the world can be said as the method for people to know world better then how they react toward the world. It can't be explained constantly that reading routine only for the geeky person but for all of you who wants to end up being success person. So , for all you who want to start looking at as your good habit, you could pick The Stepford Wives become your own personal starter.

Pauline Bardwell:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many issue for the book? But just about any people feel that they enjoy to get reading. Some people likes looking at, not only science book but also novel and The Stepford Wives or others sources were given know-how for you. After you know how the great a book, you feel would like to read more and more. Science e-book was created for teacher or maybe students especially. Those guides are helping them to put their knowledge. In various other case, beside science reserve, any other book likes The Stepford Wives to make your spare time much more colorful. Many types of book like this.
