BLAZE

A half-breed and a female, Lady Bethany clawed her way to the ranks of the Elven Service's top military elite. They only knew her as their champion against Magic, and not the daughter of a Goddess. She'd expected a long, rewarding life protecting those under her care. But that was before her twin sister returned from exile, addicted to brutal Magic and human sacrifice, twisted inside, and abusing ancient prophecies to overthrow their mother and destroy everything Bethany holds sacred.

The world will burn in flames and innocents will die, unless Bethany can stop it. Unless she can take the life of her own sister.

GRIEF

Thousands are dead. Lady Champion Bethany's Magic tainted sister is slain. Her home lost forever. Yet, Magic survived. Bethany thought she'd given everything in the fight against Magic. She was wrong. When the deaths of those closest to her shake her already crumbled world, she doesn't wilt and die. She still has one thing left to gain even now: Revenge.

Prophecy or no, half-goddess or not, Bethany vows to bring order back to the world by the edge of her blade. No matter who she must defy. No matter what stands in her way. No matter who must die. For what they've done to her, all will pay.

FURY

As Lady Champion, Bethany has always made the big sacrifices, the ones that plague her with nightmares so that others can sleep. Trapped behind enemy lines and powerless to take down the barrier surrounding the Magi army, Bethany struggles to keep herself and her small team of soldiers alive – no matter the cost. However, when Apexia's daughters discover the true source of Magic, Bethany is forced to make the biggest sacrifice imaginable in the name of peace: the death of the Gentle Goddess herself.
