Acts (Joy of Living Bible Studies) Ray C. Stedman, Kathy Rowland

Acts is a 25-lesson study that will encourage your heart and build your faith. The study includes both weekly commentary and daily study questions on each Bible passage. In the book of Acts we see what Jesus brought about through the apostles' preaching and the beginning of the church. We'll study the life of Paul as he makes many missionary journeys. Though the apostles and early Christians faced bitter persecution, through the power of the Holy Spirit they successfully carried the gospel from Jerusalem to Rome and planted churches across the Roman Empire. Full of history and drama, the book of Acts provides a guide for the church to follow until Christ returns.

Joy of Living courses are suitable for both formal and informal meetings, as well as for personal study. Each lesson contains a commentary and a week's worth of personal application and study questions, leading readers to discover fresh insights into God's Word. Historical background and maps are included.
