## **Astro-Cycles: The Trader's Viewpoint** Larry Pesavento

If you have ever wanted to learn how to trade by the stars, but did not know where to start, this book is for you. Pesavento begins at the very beginning by teaching the basics of astrology. He includes the basic definitions and explanations for the planetary movements. Included in the topics covered are explanations of the Zodiac and its relationship to the signs and houses, eclipses, equinoxes and solstices as well as Lunar phenomena. In the later part of this book, Pesavento pulls it all together with a discussion on the applications of these planetary cycles to the financial markets with many charted examples. (190 pgs)
