Changes in Autumn Renee Charles

Ex-animal control officer, Autumn Reynolds always had a soft spot for injured animals. So when one shows up on her porch with a gunshot wound, she has no choice but to help it. But she gets caught in the maelstrom when the injured wolf turns out to be a hot werewolf and the shooter comes back to finish the job. Now she's going to become a wolf, or die trying. Fortunately, she now has her own Alpha-male who owes her one. However, Autumn fears if she does survive, she might lose her heart in the process.

Conner Grayson owes the beautiful woman his life and feels obligated to help her through her first change. Though he recognizes her as his mate, as her Alpha, he won't deny Autumn the right to choose once she becomes a wolf. That is, if he can resist the overwhelming need to claim her as his own.
