As a wife, you are uniquely able to honor your husband in ways no one else can.

Tragically, in today's culture, the idea of honor in the marriage relationship has been lost. It's a key reason so many marriages aren't what they could be. In *Eight Ways to Honor Your Husband*, author Marilynn Chadwick shares how you can show this special kind of love:

- become strong
- guard your home
- believe the best
- lighten his load
- build him up
- dream big together
- create a culture of honor

As you honor your husband, you and he will both experience new heights of fulfillment and intimacy--and you'll show others how beautiful the husband-wife union can be when it follows God's design.
