Every Waking Moment Mr. Kristopher Seals

Bobby Drucker, Jr. is a former standout football player whose history of concussions has not only made him a liability, but has robbed him of much of his memory. After getting dumped by his girlfriend, he gets drunk, and then gets behind the wheel. His actions lead to a tragedy beyond description. Several people have their lives changed after the incident - some with grief, others with anger. However, his connection to some of those involved is closer than he knew, especially to Starla Johnson, a young woman with close ties to the life that has eluded him. In a story laced with raw emotion and intrigue, "Every Waking Moment" takes readers on a shocking, terrifying, and thought-provoking journey, as they witness the lives of people who have their lives ripped apart by brutal circumstances.
