The future should be bright for Deborah Vandermark, who is now pursuing her interest in medicine alongside Dr. Christopher Clayton, who is courting her. But the lumber town is resistant to the idea of a woman physician, and she feels thwarted at every turn. A more devastating blow occurs, however, when Christopher breaks off their relationship to return home to his troubled family. Despite her own love life going awry, Deborah is still intent to be a matchmaker for both her widowed mother and her brother, who has caught the eye of the spit-fire daughter of the local pastor. But what will Deborah do when faced with the truth about Christopher's family? Is there hope for the two of them. . .or will Jake Wyeth's attentions finally catch Deborah's eye instead?
