This primary source collection provides a diverse selection of sources to accompany each chapter of *A History of Western Society*, Tenth Edition. Each chapter contains at least five sources that present history from the viewpoints of well-known and ordinary individuals alike. Now with 19 visual sources and 30% more documents, this edition offers great breadth and depth in its sources. To foster lively comparative debates, a new “Viewpoints” feature in each chapter highlights two or three documents that address the same topic from different perspectives.
