The Truth Behind the New Atheism: Responding to the Emerging Challenges to God and Christianity

David Marshall

The popular and bitter attacks on Christianity continue to escalate in the form of national bestsellers such as *The God Delusion*, *Letter to a Christian Nation*, and others. Given the momentum these "new atheists" have gained, it seems as though they are making a powerful case against Christianity. How can those who are believers respond?

In *The Truth Behind the New Atheism*, author David Marshall examines the wrong concepts of God that are being promoted today. Among the questions he deals with are...

- Is the God of the Bible a cruel savage?
- Has science refuted the Christian faith?
- Has the Bible hurt the human race?
- Is the Christian life based on nothing more than blind faith?

As he refutes the critics, Marshall offers powerful arguments in defense of Christianity--arguments that will enable readers to respond to this new confusion with great confidence and biblical accuracy.
