DON'T KNOW MUCH ABOUT HISTORY: Everything You Need to Know About American History But Never Learned Kenneth C. Davis

Who really discovered America? What was "the shot heard 'round the world"? 9/11: What really happened? How did America elect its first black president? From the arrival of Columbus through the historic election of Barack Obama and beyond, Davis carries readers on a rollicking ride through more than five hundred years of American history. In this newly revised, expanded, and updated edition of the classic anti-textbook, he debunks, recounts, and serves up the real story behind the myths and fallacies of American history.
