Orenda

Ruth Silver

Orenda Ruth Silver

Join forces with a parallel universe.

Dark forces, magical creatures, and the world Lil thought she knew collide when a dream transports her to the strange world of Orenda. Stunned and terrified, Lil comes face to face with her doppelganger, Willow, who possesses the ability to travel between the two worlds. Everything Lil knows logically says that Orenda can't exist, but a small clue may be proof that it was more than an ordinary dream. With the threat of her sister in danger, Lil crosses dimensions but it may cost her even more than she bargained for.

A sword wielding girl, the eternal suit, and a parallel universe come together in this action-packed Young Adult fantasy adventure that will keep readers of all ages turning the pages. Orenda is the first novel in the Orenda series.

Recommended: Ages 12+

From reader reviews:

Angela Taylor:

Information is provisions for those to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even a huge concern. What people must be consider when those information which is in the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Orenda as the daily resource information.

Cedric Barnett:

Reading a reserve tends to be new life style in this particular era globalization. With looking at you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A lot of author can inspire all their reader with their story or their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some investigation before they write to their book. One of them is this Orenda.

John Cotton:

Reading a book for being new life style in this year; every people loves to learn a book. When you go through a book you can get a lot of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your research, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this kind of us novel, comics, and soon. The Orenda provide you with new experience in looking at a book.

Frances Pierce:

As we know that book is very important thing to add our knowledge for everything. By a book we can know everything we want. A book is a set of written, printed, illustrated as well as blank sheet. Every year was exactly added. This e-book Orenda was filled about science. Spend your spare time to add your knowledge about your scientific research competence. Some people has various feel when they reading any book. If you know how big benefit of a book, you can sense enjoy to read a guide. In the modern era like at this point, many ways to get book that you just wanted.
