Robb Pearlman

Star Trek: Redshirt's Little Book of Doom Robb Pearlman

Star Trek: Redshirt's Little Book of Doom casts a wry, satirical, and reverential eye on one of the most popular and well-loved television and film franchises of all time.

It's common knowledge that if a *Star Trek* character is wearing a red shirt, chances are he's going to die. But there are so many other ways red shirt-wearers can be humiliated. By mining the humorous depths of *Star Trek's* most popular in-jokes—that anyone wearing a red shirt is doomed—this book chronicles the many ways one Starfleet officer's day can be ruined.

Poor Red Shirt just can't catch a break. Whether he's dealing with real-life problems we all face like accidentally mixing whites with colors or being stuck sitting behind a very tall Gorn in a movie theater or trying out a standup comedy routine in front of an audience of surly Klingons, our hapless hero faces a universe-sized number of obstacles.

Featuring hilarious illustrations and witty gags that both pop culture fans and *Star Trek* fans will adore, *Star Trek: Redshirt's Little Book of Doom* is a fresh new take on one of the most beloved sci-fi sagas of all time.
